Subdivision: _____ Name of Public Road: _____

Insurance Co: _____ Policy Number: _____

Permit Issued By: _____

Date Issued: _____

The permit expires: _____

Conditions of Permit:

- Permit Holder shall obtain liability insurance which shall be kept in force during the term of the permit, which names Lyon Township as an additional insured in the amount of \$1,000,000.00. Proof of current/valid insurance shall be provided to the township covering the dates between the issue date and expiration date of the permit. Copy of the plat dedication, easement, or deed demonstrating the relevant property is dedicated to public use must be provided with application*
- Permit Holder acknowledges responsibility for safe and proper installation of public dock, maintenance of dock free from defects which may cause injury to person or property, and removal of dock prior to expiration date or upon Order as provided herein.
- Dock is to be open for public use consistent with published decisions of Roscommon County Circuit Court and appellate courts in the State of Michigan interpreting use of public road ends terminating at an inland lake. Dock shall not be used from midnight to sunrise consistent with Public Act 56 of 2012, MCL 324.30111b:--Am. 2014, Act 168, Imd. Eff. June 12, 2014 and published decisions of Roscommon county Circuit Court and appellate courts in the State of Michigan interpreting use of road ends.
- Lyon Township reserves the right to ensure location of dock does not obstruct ingress or egress from the lake. If a determination is made that a permitted dock obstructs ingress or egress from the lake, Permit Holder will be required to relocate the dock or permit will be revoked. Permit Holder agrees by the erection of a dock to hold Lyon Township and its officials harmless from any liability for the dock.

This permit may be revoked at any time, upon order of the Lyon Township Board. The dock shall be removed by Permit Holder within five (5) days of notice of order of revocation/removal. Failure to remove public dock prior to expiration date, or pursuant to order of revocation/removal shall result in removal of dock by public officials and forfeiture of dock; in addition to any other penalties authorized above or as prescribed by law.
